

VISION SCREENING COURSE

MARCH 1, 2024 | KANSAS CITY, KS

Location: Kansas State School for the Blind
Irwin Building Conference Room | 1100 State Ave., Kansas City, KS

Time: 12:00 pm - 4:30 pm

Instructor: Sabrina McAdoo, MA, Ed., TSVI, ECSE

Cost: \$90 on/before February 23, 2024 | \$100 thereafter

Target Audience: Nurses, Para-professionals

How to Register: Register online at www.eeds.com/live/502783
Registration and Cancellation Deadline is February 24, 2024.

Designed to provide vision screening theory and practices for nurses and other service providers in public health, schools and community work sites. Participants will utilize the information and skills to perform standardized vision screening techniques for children and youth.

Objectives: At the conclusion of the program, participants will be able to:

- Describe vision screening requirements for children & youth.
- Demonstrate competencies in conducting age appropriate and evidence-based tests for vision screening with birth to 3-year olds, school age children and children in special education.
- List common childhood vision defects and identify appropriate test(s) to detect those defects.
- Demonstrate use of the referral criteria for each selected test.
- Describe the importance of appropriate follow-up on all referrals

Agenda:

11:30 - 12:00 p.m. Sign-in

12:00 - 12:30 p.m. Introduction to Vision Screening, Kansas Laws & KDHE Recommendations
