### Academic Year

2023-24

Program Name	Certificate	Degree Awarded			2020 CIP
		Bachelor's	Master's	Clinical Doctorate	
School of Health Professions					
Athletic Training			MS <sup>1</sup>		51.0913
Audiology*				AuD <sup>1</sup>	51.0202
Cardiovascular Sonography	Certificate <sup>1</sup>				51.0901
Clinical Laboratory Sciences		BS <sup>1</sup>		DCLS	51.1005
Clinical Nutrition				DCN	30.1901
Diagnostic Ultrasound and Vascular Technology	Certificate <sup>1</sup>				51.0910
Dietetics and Integrative Medicine	Grad. Cert.				51.3199
Dietetics Internship	Grad. Cert. <sup>1</sup>				51.3101
Dietetics and Nutrition			MS		30.1901
Genetic Counseling			MS <sup>1</sup>		51.1509
Health Information Management		BS <sup>1,4</sup>			51.0706
Medical Nutrition Science					30.1901
Nuclear Medicine Technology	Certificate <sup>1</sup>				51.0905
Nurse Anesthesia				DNAP <sup>1</sup>	51.3804
Occupational Therapy			MS <sup>3</sup>	OTD <sup>1,4</sup>	51.2306
Physical Therapy				DPT <sup>1</sup>	51.2308
Rehabilitation Science					51.2314
Respiratory Care		BS <sup>1,4</sup>			51.0908
Speech-Language Pathology*			MA <sup>1</sup>	SLPD	51.0203
Therapeutic Science					51.2399

\* Intercampus Program in Communicative Disorders. The MA-SLP and PhD in Audiology or Speech-Language Pathology are awarded by the College of Liberal Arts and Sciences at KU-Lawrence

<sup>1</sup> Upon successful completion of program, students are candidates to take national registry, board, or certification examinations

<sup>2</sup> There are entry-level and post-professional offerings for the Doctorate of Occupational Therapy (OTD)

<sup>3</sup> Students may not directly admit to the master's. The degree is granted with special considerations

<sup>4</sup> Entry-level and degree advancement offerings are available

### Academic Year

2023-24

Program Name	Certificate	Degree Awarded			2020 CIP
		Bachelor's	Master's	Clinical Doctorate Research Doctorate	
School of Medicine					
Cancer Biology			MS	PhD	26.0911
Cell Biology and Anatomy			MS <sup>3</sup>	PhD	26.0407
Clinical Research			MS		51.2299
Health Data Science	Grad. Cert.		MS		30.7001
Health Policy and Management				PhD	44.0503
Health Services Administration	Grad. Cert.		MHSA		51.0702
Medicine				MD <sup>1</sup>	51.1201
Microbiology			MS <sup>3</sup>	PhD	26.0503
Molecular and Integrative Physiology			MS <sup>3</sup>	PhD	26.0901
Neuroscience			MS <sup>†,3</sup>	PhD <sup>†</sup>	26.1501
Pathology			MS <sup>3</sup>	PhD	26.0910
Pharmacology			MS <sup>3</sup>	PhD	26.1001
Dept. of Population Health	Grad. Cert <sup>2</sup>				
Public Health			MPH		51.2201
Toxicology			MS <sup>3</sup>	PhD	26.1004

### Other Programs

**Interdisciplinary Graduate Program in Biomedical Sciences** - the program provides the first year curriculum for PhD students in the biomedical sciences (e.g. Cell Biology)

#### MD/PhD Combined Program

#### Department of Population Health joint programs:

MD / MHSA, JD (Law) / MHSA, DPT / MHSA, MS (Nursing) / MHSA, BSHIM / MHSA Bridge Program

MD / MPH, PhD (Applied Behavioral Science) / MPH

† Program in Neuroscience is available at both the Medical Center and Lawrence campuses.

<sup>1</sup> Upon successful completion of program, students are candidates to take national registry, board, or certification examinations.

<sup>2</sup> Public Health Practice, Policy & Management (44.0503), Epidemiology (26.1309), Essentials of Public Health (51.2201)

<sup>3</sup> Admission is to the doctoral level only; a master's degree is awarded in special circumstances. PhD students do not receive the master's along the way.
